ASSIGNMENT 6

Players

- ① Dr. Light (Player 1)
- ② Dr. Wily (Player 2)

⇒ Objective: - to eliminate all of the champions on the opposing team of rival.

⇒ Myself (Ono206) and Ayomide played against each other

For this Mega Man Battle Arena game, I played ~~in~~ the game with one of my teammate in the Quiz session called Ayomide.

⇒ I preferred to use Dr. Wily (player two) who controls 9 robot champions: Bubble Man, Air Man, Quick Man, Heat Man, Wood Man, Metal Man, Flash Man, Crash Man, and the peace-keeping robot "Gamma"

⇒ And Ayomide played as Dr. Light (player one)

⇒ But at the end of the game, Ayomide (Dr. Light) defeated/won my precious Dr. Wily. It was really a tough battle that took a lot of time and we kept good track of the robot health and the rules of the game with us. He defeated my precious Dr. Wily using the almighty Mega Man but it was very interesting and a very heated game.
